

## Be Prepared for Winter

My Basement is Flooding!! Where's the Water Heater Shutoff?  
Don't wait for an emergency to find out!

Schedule an **"I.D. for Free"**™ service call. A Day & Nite Plumbing & Heating technician will :

- Label all accessible water and natural gas shutoff valves in your new home with easy-to-read, tear and water resistant identity tags.
- Show you how to turn off the valves.
- Teach you what to do when gas odor is present or there is a water emergency .

**For FREE!**

Please accept our invitation for a free, no-cost , no obligation-
